ANNUAL REPORT 2014-15

A year of achievements

“It shouldn't be easy to be amazing. Then everything would be. It's the things you fight for and struggle with before earning that has the greatest worth. When something's difficult to come by, you'll do that much more to make sure it's even harder or impossible to lose.”

ANNUAL REPORT 2014-15

Nobody can predict the future. We just have to give our all to the work, we're in and do our best to take care of our friends, partners, peoples communicate and give them every last drop of love & support that we have. We think one of the most important things in a Social work is caring for our significant other through good times or bad.

2014 teaches lot of things, as to reach people, move forward, never stop, never slow, hold tight. Real year make us tough for work, documentation, more transparency, employee divergent, management and many more.

Started working with Asian Development Bank (ADB) & Chhattisgarh Public Works Department (PWD) for Rehabilitation & Resettlement Implementation, continued with NACO AIDS awareness campaign by Nukkad Natak and Magic Show, Open Shelter Home for children (Boys) with Women & Child Development under Integrated Child Protection Schemes (ICPS), AIDS Day Walk, Blanket Distribution expansion, Aahar Yojna, Sahara Yojna etc..

We have received 12A certification and 80G certification from Income tax Department.

We have applied for Janjgir Champa District “Children Home (Boys)”, Specialized Adoption Agency at Kawardha and Mahasamund district. We have also proposed to Child Line as collaborative organization for Korba District as both rural & urban Model.

OPEN SHELTER HOME

Implementation

We received registration from the Government as per J.J. Act and ICPS norms. Our Registration No. is - 02/Korba/14-15.

We start sending our Staffs for Training to NIPCCD (National Institute of Public Cooperation and Child Development), Indore. Mr. Dev Kumar Bhardwaj attained the training program for "Orientation Training for the Superintendent, Welfare officers of CCI's and Counselors of Open Shelter Home" from 15/09/2014 to 19/09/2014

We shifted our OSH to Tiwari Farm House, Dadar Khurd, Manikpur Road, Korba with carpet area 2700 Sq.Ft on 25th May 2014. As per the circular we are following revised norms of ICPS from 1st April 2014 until next circular.

Summary

Title: OPEN SHELTER HOME (BOYS)

Location: Korba, Chhattisgarh

Start Date: 01/10/2013 **Estimated End Date:** 30/09/2016

Target group Open Shelters in urban and semi-urban areas will cater to all children in need of care and protection particularly beggars, street and working children, rag pickers, small vendors, street performers, orphaned, deserted, trafficked and run-away children, children of migrant population and any other vulnerable group of children.

Objectives We provide permanent residential facilities for children but will complement the existing institutional care facilities. The objectives of these Open Shelters include:

1. To attract above-mentioned target group of children from their present vulnerable life situation to a safe environment.
2. To wean these children away from the vulnerable situations by sustained interventions.
3. To guide these children away from high risk and socially deviant behaviors.
4. To provide opportunities for education & develop their potential & talent.
5. To enhance life-skills and reduce their vulnerabilities to exploitation.
6. To reintegrate these children into families, alternative care and community.
7. To carry out regular follow up to ensure that children do not return to vulnerable situations.

Program and activities

1. Identify such children within the geographical area/location of the Open Shelters.
2. Use innovative child friendly approaches and outreach activities to make contact with them.
3. Supplement services through Contact Locations that could be established on railway platforms, crowded market areas, tourist destinations, bus stands, etc.
4. Contact Locations can be established running the 24-hour Open Shelters.
5. Use techniques like music, drama, storytelling, outings and other child friendly methodologies to attract and sustain the interest of the children.
6. Once children start participating, Open Shelters should introduce age-appropriate education, access to vocational training, recreation, bridge education, linkages to the National Open School Program, health care, counseling, etc.
7. Cater to individual specific needs like substance abuse, behavioral problems and socially deviant behaviors among others.
8. Encourage involvement of social workers, community volunteers, peer educators, students and others. This will provide opportunity to people with skills and time to mentor, guide and improve the quality of life of these children.
9. Provide life skills to children leading to personality enhancement, raising self esteem, developing a positive approach to life, improving communication skills, ability to deal with trauma, reducing risk and vulnerabilities, etc.
10. Provide temporary stay facilities for children; and children requiring long term care shall be referred to the nearest Children's home.
11. Function as 24-hour Crisis Management Centers to receive and provide necessary assistance to children.
12. Provide accessibility to children of all age groups up to 18 years of age.

13. Provide quality toilets, lockers for children to keep their belongings, washing facilities, recreational facilities both indoor and outdoor, etc.
14. Provide health care facilities and refer children for specialized services for prevention of drug and substance abuse, HIV/AIDS/STIs and other chronic health disorders.
15. Maintain standards of care and children should be encouraged to participate in the activities of Open Shelters.
16. Prepare Individual Care Plan for each child.
17. Maintain electronic data of each child.
