ANNUAL REPORT 2011-12

A YEAR 2011

The year 2011 has been a fortune year that starts a motion that shows the path how, where and when Humanity of help to other. We received motivation and attention of people for doing great jobs like Blood Donation, NACO CSM Program, Blanket Distribution, Old age Home etc

The AIDS Awareness campaign was incredible in a van show with deigned social ads on TV. It created opportunities for lacks of adolescents and youth to participate in this activity. We start doing research and registration in all different kind of project. We reassemble our bylaws and objective to move ahead.

INTRODUCTION

We are Help and Helps Samiti, Registered beneath Chhattisgarh State Society registration office under the Chhattisgarh Society Registration Act 1973 (No. - 44) Working on Chhattisgarh State, Help and Helps Samiti is non-governmental organization working social cause in Chhattisgarh.

Our Vision

“Every Indian resides contentedly with their all needs with dignity”

And Mission

“In its mission to achieve the Vision, Help & Helps Samiti focusing to help every Indian, completes their all requirements to keep nation with development country.”

NACO CSM PROJECT

Our project of NACO CSM “Road Show Activity” completed on 10/04/11 for the financial year of 2010-11. Design and implementation on the same program start from the date of 01/02/2012 for the year of 2011-12.

A NACO CSM program promotes condoms for safety of human life by the threat of AIDS and STI diseases. We work 416 high population area as well as targeted area, to promote condom use and safe life, with all information of AIDS, STI and family planning. We aware with Design program on TV, pamphlets, audio jingles, announcing games etc...It was memorable with Pashupati Chemicals and Pharmaceuticals Limited who join hands with us. The next season we will also start Road show but it implement TV & the branding structure for Activity to reach village people.

BLANKET DISTRIBUTION

As decided and being always we distribute blankets at Raipur City near railway station, bus stand, near temple, masjid, church and other areas. We found and help 123 peoples as they were not having proper cloths or blankets in a winter season. As per the plan we divided in a group and start working after mid night, identify these people after reaching those areas. It was a one day activity and that too give us an idea about them, we have to work more on this, so that people don't reach to that stage.

HELP TO OLD AGE HOME

We started visiting to old age home, some are really good maintain and good donor as well as help reach properly to them, but those old age home are far from the city area are not properly noticed by people. So we started visiting these old age homes, meet those old people provide medicine, general food, help on their common works etc.

The moment increases the power of emotion to follow the inner sorrow of human in this kind of work.

HEATH CAMP at Panchsheel Nagar Slum Area

An issue with slum area peoples does not get time and money to check up their health while they always busy with earning money to survive. A Health Camp conducted in the pansheel nagar slum area. It was ready to lend a health camp where people come and help us and get the benefits of Health Check up. We nearly helped 237 people at these area As we check up for health and found all have these Malnutrition problem and few have eye problem, we aware them for safe drinking water, cleaning germs before and after food, important of rest with respect work and addictions.

BLOOD DONATION CAMP

A remarkable work on Blood donation as “Blood Donation the Biggest Donation”, Thanks to all our friends, Volunteer and media partners that they helped us to reach on target as 58 blood donor. The camp was organized at Sri Narayana Hospital, because it was a new Hospital which treats to privilege and non privilege people as per the Government norms and started the hospital with wide range of modern technology and experts.

AWARENESS ON ENVIRONMENT DAY

An Environment day event with farmers at Village Gullu and Jora at Arang, District Raipur, we aware farmers for current scenario of new technique of agriculture and importance of trees in the middle of two is adjoining position of agriculture lands.

What to do with different crops in different seasons, what to plant apart from tradition crops, what and how Government support, with subsidy, loans, kissan friends, water solutions etc...

We are happy to provided this information and aware nearly 232 farmers.
